Housing Tips:

- Schriever does not currently have dorms. Dorms are issued through Peterson Air Force Base and they have a current occupancy rate of 96% or higher
- Sponsors, please call for a single Airman as soon as you can. The dorm manager requests at least 3 weeks notices for the date the new single Airman will arrive. Please call 719-556-7761/3832/1409 to reserve a room! Plan Ahead! Make arrangements for the Airman prior to their arrival.
- Before signing a contract, make sure the newcomers have visited the Air Force housing website and read the information for Schriever Air Force Base of Peterson Air Force Base housing. Receive invaluable information and save time doing so.
